*Headteacher: Mr Jon Iglesias*  
*Deputy Headteacher: Mrs Anna Ellison*

Dear Parent / Carers,

On behalf of everybody at Weetwood Primary School, I would like to extend a warm welcome to our fantastic school. We hope that your family will spend many happy years at our school. We place a great importance on having a commitment to ensuring a strong family atmosphere and pride ourselves on valuing the uniqueness of every child in school. We place a special importance of valuing the whole child and encourage children to celebrate their achievements in their areas of interest.

We are proud of having created an environment where everyone, adults and children alike, cares for and respect each other. We strive for our children to develop as responsible young people with the ability to make informed and appropriate decisions about their futures. We want our children to become life-long learners – to be creative in their outlook, independent of thought, and resilient enough to make valuable contributions to their community and own lives. Wherever possible, we celebrate diversity and look for ways to use this to enrich all aspects of our curriculum so that our pupils can truly become global citizens.

We place a big emphasis on the arts – we work with a variety of providers to ensure that our children receive high quality learning and we are currently in the process of working towards achieving the Artsmark award. We offer music lessons to children from Reception upwards. Our children have the opportunity to perform in a variety of performances culminating with their participation in the Shakespeare Schools Festival when they are in Year 6. Furthermore, we encourage all children to represent the school in a wide variety of sporting events – we have a strong tradition in gymnastics and have football teams that run across all year groups; these are very kindly organised by some of our parents.

All learning areas are well resourced with an abundance of modern learning resources and interactive technology. We have recently renovated our EYFS outdoor area and have incorporated a mini Forest School into it. We constantly seek ways to further improve our provision to make learning 'even more fun'. We hope that this is the start of a very happy journey through Weetwood Primary School.

Yours sincerely  
Mr Iglesias

Please Note: Mr Iglesias is currently absent from school and Mrs Ellison is Acting Headteacher.
